## November 13, 2020 Edition

**“The true meaning of Islam will not only focus on how Muslims worship but also on who we are: mothers, fathers, spouses, students, neighbors, friends. People who smile with pride at their child’s first step; laugh with friends over the old times; worry about exam results; cry at the sight of our children in pain. People just like you!”**

Her Majesty Queen Rania Al Abdullah of the Kingdom of Jordan on being Muslim

## Introduction

### Overview

The emergency management profession is designed to establish and build connections with other communities, partners and disciplines. The Emergency Manager's Weekly Report simply builds on this principle and advocates that by sharing information with various partners around the world we can be better prepared for present and future hazards and threats.

The Emergency Manager's Weekly Report through the weekly publication and the social media pages distributes information and resources on a variety of disciplines and topics, this includes:

- Emergency Management, Civil Protection and Preparedness
- Homeland Security
- Criminal Intelligence
- National Security and Defense
- School and University Safety, Security and Emergency Management
- Access and Functional Needs
- Natural and Technological Hazards
- Disaster Risk Reduction
- Emergency Communications
- First Responders (Police, Fire, EMS, Criminal Justice, Search and Rescue)
- Global Affairs and Security
- War Crimes and Human Rights
- Humanitarian Affairs and International Development
- Immigration, Refugees and Migrations
- Climate Change
- Sustainability and Resiliency
- Public Health and Healthcare
- Cultural Heritage Preparedness and Protection

### History

The Emergency Manager's Weekly Report started back in 2000 as a simple e-mail message to share news and resources with a select group of colleagues. In 2005 the Weekly Report was distributed mainly through e-mail in a form similar to this document. The use of social media pages began in 2011.

### Contributions

The Emergency Manager's Weekly Report relies on contributions from several organizations. In particular the International Association of Emergency Managers (IAEM) utilizes elements from this publication to provide information regarding the latest technology, mandates and hazards to emergency managers. We in turn contribute to the IAEM Dispatch, which is a weekly publication highlighting the latest news and information. If you would like to receive this publication you can register for free at:

<http://www.iaemdispatch.com/>

### **EM Weekly Report's Website and Social Media Presence**

The Emergency Manager's Weekly Report is posted weekly on our [website](#). This page is accessible to anyone. The Weekly Report's social media presence includes the following (right click on the links below to access these pages):
